

FEEDTECH INCLINE MIXER

Feedtech offers a new concept in feed mixing. Incline mixers have been introduced to complement the comprehensive range of grain handling equipment.

FEATURES:

INCLINE MIXERS AVAILABLE IN 200kg OR 3000kg

3,000kg Incline Mixer

- Twin auger
- Smooth running
- Even methodical mixing
- Runs at 27° incline
- Strong, robust

200kg Incline Mixer

The method both mixers use is that the two augers pull product from the sides into the centre at the same time. It augers up to the top of the mixer. Once it reaches the top it folds back and runs all the way back to the bottom where the process starts.

- 12 Month Warranty
- Australian Made
