

# FEEDTECH GRAIN PRE CLEANER

**Manufactured  
in Australia  
for Australian  
conditions.**

## FEATURES:

Designed to remove foreign objects from grain. Ideal for grain purchased direct from the header, or where grain has been stored in a bunker. Simply feed the grain in the top of the pre cleaner. Clean grain will exit one outlet at the bottom of the unit.

- Robust powdercoated steel construction
- Easy access for cleaning and maintenance
- Fast simple screen changes
- Rotating screen supported front and back
- Reliable simple operation
- 12 Month Warranty
- Australian Made
